

Xvision CCTV - Essen Premiere

Xvision is a name, which reflects a very forward thinking team, behind the brand that is one of the most proactive in the market today.

Xvision CCTV are making their debut at Essen with a breathtaking array of professional CCTV & Security Solutions.

Since the first Xvision product was launched in the UK in 2001, the brand has grown in excess of all forecasts to become one of the most respected in the UK, building it's reputation on products of unrivalled performance, high quality and great value. Today, the Xvision brand also enjoys remarkable success abroad with buoyant sales in Ireland, Greece and the Middle East further helping to make Xvision a truly global brand.

Now we are looking to further expand our presence in Europe, with particular emphasis on Germany and Northern Europe.

"The Essen show is exactly the right vehicle to put Xvision products firmly on the European map and visitors attending our stand will leave with the benefit of the full Xvision 'experience', says John Campbell, Accounts Manager. He continues, "We will be showcasing the very best that Xvision has to offer including the recently launched XIP3000 MPEG4 range of IP CCTV cameras and the XIP5000 H264 Megapixel range".

"We have a brand new range of very high specification cameras which have launched under the 'Xvision Professional' banner. These highly acclaimed cameras include a Dome and Long Range Nightvision Cameras, which feature a CCD that offers 700TVL B/W images & 580TVL Colour images. In addition these cameras also have Dynamic Night View, Super WDR, Smart DNR for Disk Saving & a Varifocal lens too. These next generation cameras have been designed using the latest Samsung CCD & DSP technology and we expect them to be create quite a stir at the show," explains, Mr. Campbell.

Additionally, Xvision plans to exhibit it's latest range of Hybrid DVRs with 4, 8 and 16 camera models featuring Triple codec H264, MPEG4 and MJPEG Pentaplex recording in addition to many new features.

The Xvision network of approved dealers throughout the UK, Europe and the Middle East benefit from a wealth of knowledge provided by the Xvision team. We offer a whole host of support services including product support, local technical and marketing support. We ensure that Xvision products will provide years of trouble free service and back this up by offering a worldwide warranty with all of our products for up to 3 years.

The **Xvision** team looks forward to welcoming visitors from across Europe to **Stand 118, Hall 7.0** at Essen08.
